SCHOOL BOARD

The Terrebonne Parish School Board has contributed much to our year of change. Providing TIS with a new auditorium lighting system, improved stadium lights, modern cafeteria, and convenient bus shelter for inclement weather, were important decisions that have made ours a "new frontier." Setting an example of good citizenship, the school board has effectively met the everyday problems as well as the major innovations.

Projects in Biology, Chemistry, Physics, Math, Electronics and Social Studies were judged and then reviewed by the public, at the Terrebonne Parish Science Fair.
